Fleet and Family Support Center
Bldg 625, NAS Pensacola Region
PENSACOLA, FL 32508-5217

Welcome aboard Naval Air Station, Pensacola, Florida. We are proud of our area and what it has to offer to those relocating here. As the "Cradle of Naval Aviation" and home to the world famous Blue Angels, Pensacola has enjoyed a long-standing relationship with the United States Navy. Our beaches are among the finest, noted for sugar white sands and miles of protected seashore. The personnel at the Fleet and Family Support Center look forward to welcoming you and assisting in any way they can. Again, welcome aboard.

Location: Pensacola is located in extreme Northwest Florida, 60 minutes east of Mobile, Al, 45 minutes west of Ft Walton Beach, Fl, and 500 miles from Orlando, FL.(home of Disney World). Altitude ranges from sea level to 120 feet above sea level. Escambia County is 661 square miles. Santa Rosa County 1,024 square miles and the City of Pensacola is 25.09 square miles.

Telephone Access: NAS BASE INFORMATION is 452-0111. NAS DSN is 922. Area code is 850.

History: Pensacola is often called "The City Of Five Flags" because of the five nations that have governed it. Pensacola preserves its heritage through its many museums, historical districts and varieties of architecture. On Aug. 14, 1559 after an accidental overshoot into Mobile Bay, Don Tristan de Luna sailed into what he christened Bahia Filipina del Puerto de Santa Maria. His expedition of 500 soldiers and 1,000 colonists settled near what is now the Pensacola Naval Air Station, six years before the city of St. Augustine was founded. De Luna had been instructed by King Phillip II of Spain to establish a trade and defense post as the first in a string of such colonies that would extend all the way to what later became Cape Hatteras, North Carolina. The attempt was foiled by a hurricane that sunk the supply boats leaving the ill-equipped newcomers to live off the land. Starvation, fever, mutiny plagued the dwindling group for two years before survivors

were rescued in 1561, at which time de Luna was relieved of his command. For 125 years the bay and surrounding area remained untouched by European events. Then on Feb. 6, 1686, Juan Jordan de Reina re-discovered the harbor while exploring the eastern Gulf Coast. His journal reports, "about 11 o'clock I saw a bay, the best I have ever seen in my life...the Indians call this bay Panzacola...With the Indian pilot we went in the longboat to the village of Panzacola." Captain de Reina's enthusiasm for Panzacola never wavered in the years that followed. He was an eager participant in the next colonization attempt in 1698 led by Don Andres de Arriola, the expedition of 350 soldiers escorted a bevy of convicts, beggars and other undesirables pressed into service as colonists. Together they constructed the first permanent post, Fort San Carlos, on the same site de Luna had chosen 140 years earlier. In 1719, war broke out between France and Spain which saw the fledgling fort change hands back and forth like a juggler's ball. The French eventually razed everything and took control, but forfeited the area to the Spanish after the War of the Quadruple Alliance. The Spanish relocated the settlement to Santa Rosa Island because of the superior defense posture, but hurricanes destroyed the colony. Further attempts to settle the area failed until 1752, when a small stockade was built at the present site of the Seville Square Historical District. Pensacola was not proving profitable for the Spanish, and it was transferred to the British in 1763 as part of the Treaty of Paris. The British retained possession of West Florida and its capital of Pensacola until 1781. During their rule the British made plans for a proper city with carefully mapped streets, a public water well, and other improvements. British Pensacola entered the world of commerce with brisk trade in lumber, furs and naval stores. Britain lost its prosperous settlement when 1783 Treaty of Paris gave the 13 colonies their freedom and returned Florida to the Spanish. In 1821 Pensacola was signed over to the United States, and the Florida Territory was established a year later. Over the next 30 years, a navy yard was constructed along Fort Pickens, Fort Mcree and Barrancas. Florida was admitted to the Union in 1845. During the Civil War, the Pensacola area was divided by forces loyal to both sides. In May 1862, confederate forces were driven from the area and most residents fled to Mobile. In July 1863 only 82 people were recorded as living in Pensacola. The post-Civil War era brought a lumber boom to Pensacola. Yellow pine from area forests were shipped through the port to markets around the world. People poured into northwest Florida for jobs with the lumber companies, railroads and shipping lines. The boom lasted until World War I, which closed major markets in England and Germany. By this

time the forests had been severely depleted. In 1886 Pensacola realized the value of a tourist attraction when Geronimo and his wives were imprisoned at Fort Pickens. Throngs of sightseers arrived by rail from New Orleans and other major Southern cities, while yachts circled the water around the fort hoping to catch a glimpse of the famous warrior. The abundance of tasty red snapper brought another surge of prosperity to the growing city. When existing commercial fisherman could not supply the nationwide demand for snapper, new boats arrived daily to help with the harvest until Pensacola became the leading fishery in the country. Modern fishing techniques and over fishing eventually diminished the take, but commercial fishing remains a steady influence on Pensacola's economy. In 1914 the Navy expanded its role in Pensacola development by establishing the U.S. Naval Aeronautical Station. As the Navy expanded, so did support businesses and services- bringing more jobs and workers to the area. The military installations have been a major force in Pensacola's growth. Onboard the Naval Air Station is an aura of mystery and splendor on "Admiral's Row." Significant on Johnson Street is Quarters "A," a stately home where the air station's most senior officer, the Chief of Naval Education and Training, and his/her family resides. When this area was built in 1874, the commandant of the old Navy yard lived here. As the story goes, Commodore Melancton B. Woolsey was the first commandant to live here. He was terrified of contracting yellow fever, since an epidemic had already claimed thousands of lives and he didn't want to be the disease's next victim. He erroneously believed, as others did also, that disease carrying mosquitoes could only fly a few feet high. So, Woolsey moved into the third-story cupola. He got his meals, rum (which he claimed was a "tonic" against the fever) and tobacco for his pipe by lowering a basket on a rope from one of the cupola's windows. One day his servant forgot the rum! Woolsey died soon thereafter. As all residents of Quarters "A" know, his spirit stayed on in the house. Perhaps it is to stay with a lovely lady, transparent and clad in white, who also resides in Quarters "A", forever.

Must Know Items

Military personnel arriving at Pensacola Regional Airport can get information and referral services, as well as assistance with transportation at the USO Airport Center.

If hiring a taxi to get from the Pensacola Regional Airport to NAS Pensacola Region the fare will run anywhere from \$19.50 to \$24.00. The fare can be split between several people. However, in order not to be charged an individual fee (\$19.50 per person) all must be at the curbside when the taxi arrives.

Due to the renovation currently in progress at the BEQ, Geographical Bachelors Quarters are unavailable for E-5 and above. All geographical bachelors are being billeted at Whiting Field, about 45 minutes from NAS Pensacola. Billeting in the BOQ is also extremely limited due to a large influx of incoming personnel.

NOTICE TO STUDENT STATUS PERSONNEL:

Family member travel is not authorized UNLESS specifically stated within your orders transferring you to Pensacola. US Navy Regulations prohibit payment for moving Household Goods more than once per fiscal year (01 October - 30 September). DO NOT BRING YOUR FAMILY MEMBERS UNLESS AUTHORIZED WITHIN YOUR ORDERS.

NOTICE TO NATTC (NAVAL AVIATION TECHNICAL TRAINING CENTER) STUDENT PERSONNEL:

Per Master Chief of NATTC: The only students that will be authorized "Brown Bagger Chits (student authorization to reside off-base) are students who will attending school at NATTC for 6 months or longer. This means classroom time, under instruction - it does not include weekends, holidays, or wait time for class to begin. The avionics ratings who are currently authorized are the following: AE, AT, AQ. Students arriving here for training in other ratings are STRONGLY DISCOURAGED from bringing their family members to Pensacola. The reasons are: (a) Regulation for Personal Property will NOT pay for shipment of family members and household goods,

(b) There is very limited temporary housing (less than 6 months) in Pensacola. The NAS Pensacola Housing Welcome Office no longer maintains the "substandard housing" for student personnel. If a person signs a lease, the person leasing can be held responsible for the rent during the duration of that lease. In other words, if you sign a lease for 6 months, one year, whatever, you can be held liable for that lease; regardless of the amount of time you are physically present in the leased property. Your orders will not exclude/exempt you from the lease once signed because you knew ahead of time that you would be transferring prior to the 6 months ending. Students in "Phase One" (arriving students) are on a 3 week restriction to the NATTC Complex. Students are restricted to on-base liberty for the first week and the first weekend. During the second and third week, liberty ends at 2100 hours (9:00 pm) and personnel must return to the NATTC complex/barracks. Students in "Phase II" (students who have been here for 3 weeks and are in good standing), may go off base, but will remain on a 2100 hour curfew.

Comments: Hours: 0830 - until 1800 Monday; 0830 - 1700 Tuesday through Friday; closed weekends and holidays. Florida residents are required to register their cars annually, with registration expiring on the owner's birthday. You will need proof of insurance, verification of vehicle ID, odometer reading and proof of ownership. No appointments are necessary. Florida is a no-fault insurance state, therefore it is a requirement that a driver have personal injury protection insurance and property damage liability insurance. There must be proof of insurance in the vehicle at all times. Motor Vehicle Registration for Military Members: The following are your options for Motor Vehicle Registration while you are stationed in the state of Florida. With respect to the Federal Soldiers and Sailors Relief Act of 1940, you have three options for vehicle registration: 1) You may title and register your vehicle in your state of legal residency. 2) You may register your vehicle in Florida on a "registration only" basis, as long as the out-of-state title is in your name. 3) You may title and register your vehicle in Florida. If you are not a Florida resident and have NO intention of becoming one, you may also qualify for a non-resident military exemption of certain registration fees, which means you may register you vehicle at a reduced rate. The above options apply both to the service member and any spouse or dependent children of the service member. The following documents must be presented to the Tax Collector's Office to register you vehicle in Florida: 1) Proof of ownership -(a) to apply for Florida Title, Out-of-State title or Manufacturer's Certificate of Origin (MCO) must be presented. (b)If registering only, copy of out-of-state title must be presented. If there is a lien outstanding, a letter on letterhead stationery from your lienholder stating there is a lein

on the described vehicle must also be presented.

2) If vehicle currently has an out-of-state title, form HSMV 82042 (Vehicle Identification Number Verification) must be completed properly. VIN may be read at Tax Collector's Office if vehicle is present and weather permitting.

3) If vehicle was purchased within the 6 months preceding the Florida application, Florida sales or use tax may be due. A copy of proof of purchase and sales tax paid must be presented.

4) Copy of military orders showing your assignment to Florida military installation in the area, or a copy of your most recent Leave and Earning Statement (LES) showing a state other than Florida as your home of record.

5) Military identification

6) Proof of Florida insurance. Florida requires a minimum of \$10,000 each of Personal Injury Protection and Property Damage Liability for all automobiles and trucks.

Fishing, Hunting License (State), and Boat Registration are also available.

Fishing licenses are also available at NAS MWR 452-3369 and at most sporting goods stores and local retail stores. (K-Mart, Wal-Mart)

Local Weather

<http://www.nws.noaa.gov/>

Pensacola enjoys a sub-tropical climate with mild winters and hot humid summers. During the summer months, the Gulf of Mexico absorbs the sun's heat and stores it for the cooler months, when it acts as a source of heat. This means that temperatures in the beach areas are significantly warmer during the winter months than inland. The average temperatures

are 54 to 64 degrees in the winter with indices that are below 0 degrees, 79 to 85 in the spring, 89 to 95 in the summer with indices that are above 100 degrees coupled with high humidity, and 65 to 79 in the fall. The average annual water temperature is 75 degrees.

We have monsoon during the spring and have experienced hurricanes during Hurricane season (June through November). During late winter, early spring, through early summer heavy fog occurs. Rarely do we experience snow, but we do have a heavy rainfall season and drought season.

Education

Education Overview

For more information on this subject:
Public School Information
<http://www.escambia.k12.fl.us>

The Escambia County Public School web address provides you with access to Escambia County School ratings, scores, public school addresses, phone numbers, as well as a wealth of other information. There is not a DODDS school in Pensacola.

The Escambia County school population is approximately 45,000 students from pre-kindergarten through 12th grade. There are currently 4 pre-kindergarten centers, 38 elementary, 12 middle, 7 high schools, 1 vocational, 2 exceptional student and 1 dropout prevention center serving the county for a total of 65 schools and centers.

To register newcomers or children entering kindergarten, call the school you believe your child will attend, schedule an appointment and then take along the following at the appointed time: evidence of birth and up-to-date immunizations, Florida health card showing that the child has had a physical exam within the past year, proof of residency such as your water bill in the parent's name, and the child's social security number or card.

To start kindergarten in Florida, children must be 5 years old by September 1. To start first grade, children must be 6 years old by September 1 and have completed kindergarten.

Information on free and reduced lunches is sent home with each child at the beginning of the school year or request the application at the school your child will be attending.

For information on education in Escambia or Santa Rosa counties you can contact the Naval Air Station Pensacola Fleet and Family Support Center Information and Referral Specialist or Relocation Assistance Office at (850) 452-5990. A school Information packet can be mailed to you upon request to the Relocation Assistance Office.

For information on where your child should attend school, contact the Escambia County District Zoning Office at (850) 469-5580.

Public Schools normally start the second to third week of August and run through the last week in May to the first week in June with the standard holidays

being observed. Call the school district for exact dates at (850) 432-6121.

For school Zoning and Transfer information contact the Escambia County School Board at (850) 469-5580, or (850) 432-6121.

HOLIDAY SCHOOL SCHEDULE FOR
ESCAMBIA COUNTY PUBLIC SCHOOLS: Labor
Day, Veterans' Day, Thanksgiving Day, Christmas
Vacation, Student Holiday, M.L. King

Holiday, President's Day, Spring Break, Memorial
Day, and Good Friday

When transferring your child into the school system, please hand carry your child's school records in order to expedite placement. Birth certificates are required for children enrolling in the school for the first time. State law makes it mandatory for parents to present sufficient evidence that the child has been protected against polio, diphtheria, pertussis, tetanus, red measles (rubella) and tuberculosis (PPD Mntoux). Children will not be allowed to start school until necessary immunizations have been obtained and actual dates have been provided to the school. The child can be admitted to school but the physical must be done within 30 days.

Age requirements for Florida Public Schools by State Law:

Kindergarten: CHILD MUST BE 5 YEARS OLD BY 1 SEPTEMBER OF THE SCHOOL. ALL INCOMING KINDERGARTNERS WILL BE REQUIRED TO HAVE COMPLETED THE HEPATITIS B SERIES.

First grade: Child must be 6 years old on 1 September of the school year.

PRIOR TO ENTRY INTO SEVENTH GRADE FOR THE SCHOOL YEAR, A SECOND DOSE OF THE MEASLES VACCINE, TETANUS-DIPHThERIA BOOSTER, AND COMPLETION OF THE HEPATITIS B SERIES (3 DOSES REQUIRED) MUST BE COMPLETED.

High School graduation requirements for the State of Florida are:

English - 4 credits, Math-3 credits, Science-3 credits, Social Studies-3 1/2 credits, Performing Arts-1 credit, Life Management Skills-1/2 credit, Physical Education-1 1/2 credits, Electives-11 1/2 credits, TOTAL - 28 credits

Florida requires that all students pass the High School Competency Test (HSCT) and have at least a 1.5 GPA on a 4.0 scale.

Students living one or more miles from school are provided with school bus transportation. Special wheelchair transportation is available for handicapped children.

Students who are identified as academically gifted or handicapped under the Individuals With Disabilities

Act (IDEA) have the opportunity to participate in Exceptional Education programs.

Many extra curricular activities are offered within the school system particularly in the high schools. Among those offered are band, chorus, ROTC, football, baseball, softball, soccer, basketball, wrestling, honor clubs, volleyball, service clubs and many more. Check with the particular school that your child will attend to find what activities are available since activities offered vary from school to school.

Pensacola Jobs

<http://www.pensacolajobs.com>

The economy of the area is primarily comprised of government, tourism and manufacturing. The health service segment is showing strong growth and construction is stable. However, the supply of workers in the area exceeds demand for virtually all occupations. Make sure you bring a good resume, and if possible, references with you. Most all employers in the Pensacola area pay minimum wage, or slightly higher.

<p>Comments: Are you a military spouse, just moving to the Pensacola area? In need of a job or career/educational counseling? The Spouse Employment Assistance Program (SEAP) at the Fleet and Family Support Center would like to assist you. This program offers many services that assist the military spouse in their career search. Some of the services offered are:</p> <p>1. SPOUSE INTAKE WORKSHOP: This workshop is designed to assist the military spouse in finding immediate local employment. Local Recruiters from the Pensacola community attend, gather resumes and may set up subsequent appointments with spouses to assist them in finding employment. The SEAP Specialist will also discuss the job market in Pensacola and provide tips and information on how to apply with Federal, State and local agencies. Bring a resume with you, if you have one. If you don't we have the means for you to make one.</p> <p>2. CAREER AND LIFE PLANNING: If you would like to transition into a new career field, or wondered how to tap into the hidden job market where 80% of most jobs are found, this is the class for you. This class has been a real success with both military spouses and service members alike. The first night begins with the administering of a Skills Inventory to all class participants. This allows the attendees to assess all of their skills, not just duties or responsibilities that were acquired through their employment history. This inventory considers skills acquired through all aspects of your life, including volunteer work, community activities and other life related skills. In this class you will learn how to categorize them into skill sets and target them to particular career fields so that it maximizes your chances of getting employed into a career field. Some of the other topics covered are:</p> <p>a. Networking with a career purpose</p>

<p>b. Developing Scannable Resumes c. Resume follow-up d. How to request an Information Interview e. Reasons Why "Once Size Fit All" resumes do not work f. How to market your skills and abilities using today's technology g. Seeking portable careers that accommodate the military lifestyle</p> <p>This class is scheduled once a month and class maximum is 12, so register early to take advantage of this opportunity.</p> <p>3. RESUME REFERRAL: SEAP maintains a resume bank for clients to be referred to companies wishing to employ a military spouse. Come by and leave a resume to be assisted by this service.</p> <p>4. JOB BOARD: The SEAP Office sponsors a job board with employment opportunities in the Pensacola area.</p> <p>Other services provided by SEAP are individual career counseling and assistance in resume writing. Today's emphasis is on assisting the military spouse into a career, not "just a job". Come by and let us assist you in your career goals. If your like to schedule for the above classes or need individual assistance, contact SEAP at the number provided.</p> <p>Call for appointment. Hours are 0730-1600, Monday through Friday. Closed during holidays and weekends.</p> <p>NOTE: This is a referral program, not a placement program.</p>

Hospitals, Doctors, and Medical Services

<http://www.marinersguide.com/regions/florida/pensacola/medical.html>

Innovations in health care are the status quo in Northwest Florida. Hospital administrators know that the area has the largest concentration of military and civilian retirees in the country. Their specialized health-care needs have been anticipated with the highest quality education, research and treatment. The area is home to five general hospitals, numerous medical treatment centers, and specialized clinics staffed with excellent physicians using the most modern medical technology. There are also nursing care centers for the elderly or patients suffering from Alzheimers and other disorders requiring 24- hour attention.

Pensacola Naval Hospital
<http://psaweb.med.navy.mil/>

This is brief explanation on how to use the above web address: After accessing the web, go into either Patient Education or Quick Answers. This web site will provide you with quick, reliable medical information.

Naval Hospital Pensacola is an 8 story, 108 bed ambulatory care medical and surgical facility, located on Hwy 98 West, about 2 miles from Navy Blvd. The hospital is fully accredited by the Joint Commission on the Accreditation of Health Care Organizations (JCAHO). The facility maintains five operating rooms and an eight bed intensive care unit.

The Branch Medical Clinic is located onboard NAS Pensacola, Bldg 3600, West Wing. They Provide a wide range of primary care and ancillary services to the local active duty and civil service populations. Specialized services include physical exams, podiatry, optometry, occupational medicine/industrial hygiene, environmental/preventative medicine, and ambulance services. On site ancillary services include radiology, laboratory, and pharmacy.

The Branch Clinic's primary mission is to provide medical support for NASP's multitude of commands, with an emphasis on consultations before referral to the nearby Naval Hospital. NATTC, NTTC Corry Station, and NAS Whiting Field has their own Branch Clinics.

Hours of operation are 0700 - 1530, Monday - Thursday and 0700 - 1100, Friday.

NOTE: The Immunization Clinic, located at the Naval Hospital is closed on Tuesdays and Thursdays. Allergy patients are seen during these days.

Health Benefits Advisor, Wellness, and CHAMPUS/TRICARE Programs

For more information on this subject:

Humana-Military

<http://www.humana-military.com>

TRICARE is a medical program for active duty members, qualified family members, eligible retirees and their family members and survivors of all uniformed services. It is designed to expand access to care, assure high quality care, control health care costs for patients and taxpayers alike and improve medical readiness. TRICARE is a "managed-care" health care program managed by the military in collaboration with civilian contractors. For each of the twelve regions of the country, a military lead agent will be responsible for overseeing the program. Lead agents are the commanders of large regional Navy, Army, and Air Force Medical Centers.

TRICARE began in March 1995 in Oregon and Washington. It was implemented throughout the United States in May 1997. The Pensacola area implemented the TRICARE system July 1996.

JUST MARRIED: The first step is to go to PSD and enroll your wife/husband/children in DEERS (Defense Enrollment Eligibility Reporting System). This cannot be done at the Navy Hospital, ONLY PSD. PSD will need the birth certificate and marriage certificate. The cut-off date for enrollment into TRICARE is the 20th of each month. For example, if sign up for TRICARE on 19 Feb, it will begin on the 1st of March. If sign up is on 21 Feb, it will begin on the 1st of April. You can always take the yellow enrollment copy to the hospital to get care until your official TRICARE card arrives in the mail.

The main challenge for most was deciding which TRICARE option - Prime, Extra or Standard - is best for them. Enrollment is only required for TRICARE Prime. Active-duty families who are assigned to a civilian Primary Care Manager (PCM) under TRICARE or who use TRICARE Extra will save money compared to what they would spend if they used TRICARE Standard.

THERE ARE NO ENROLLMENT FEES FOR ACTIVE DUTY FAMILIES. Retiree families have to consider expected savings from TRICARE Prime against the annual enrollment fees (\$230.00 for a single retiree and \$460.00 for a family). If you have

other primary health care insurance, TRICARE Prime may not be your best option.

Whatever your medical situation, Health Benefits Advisors are available at your local military treatment facility to help you decide which option is best for you.

TRICARE PRIME: This option is similar to a civilian health maintenance organization (HMO), which serves as a central source for all your health needs. The heart of your "HMO" is a military treatment facility augmented by the TRICARE contractor's Preferred Provider Network (PPN). Your care will be guided by a Primary Care Manager (PCM). This is a qualified health care provider or group of providers that supervise your care. A Health Care Finder (HCF) at the TRICARE Service Center will make test/specialty appointments for you.

ALL ACTIVE DUTY SERVICE MEMBERS WILL BE ENROLLED IN PRIME AND WILL CONTINUE TO RECEIVE MOST OF THEIR CARE FROM THE MEDICAL MILITARY PERSONNEL.

CHAMPUS eligible family members may enroll in Prime. Each person who enrolls in Prime has a military or civilian primary care manager who provides non-emergency routine medical care. For Active-duty families, there is no enrollment fee for TRICARE Prime. Cost shares are less than under the other two options.

TRICARE EXTRA: Under this option, individuals do not enroll. They retain their freedom to choose any provider. However, if an authorized network provider is used, this option offers a 5 percent discount from the TRICARE Standard cost shares (e.g. 15 percent of negotiated fee rather than 20 percent of allowable charges for active duty family members). The annual CHAMPUS deductible must be met before cost sharing begins and other CHAMPUS rules also pertain.

TRICARE STANDARD: A new name for the traditional Standard CHAMPUS. In this option individuals pay current CHAMPUS deductible and cost share and abide by current CHAMPUS rules.

Housing

Housing Overview

For more information on this subject:

US Navy Housing

<http://www.housing.navy.mil>

The Navy Housing Welcome Center offers personalized and professional housing assistance. Conveniently located just inside the NAS Pensacola Region main gate, the Housing Welcome Center is easily accessible.

Make sure you have hotel reservations prior to your arrival to Pensacola - it takes about 2 to 5 days to locate housing and have your utilities turned on. Arrive on a weekday if possible as most property managers do NOT work on weekends. DO NOT RENT over the internet - you may not like the rental once you physically see it, remember over the internet all you see is the rental, not the surrounding area. Leases are legally binding and the military clause will not allow you to break the lease if you knew ahead of time you would transfer prior to the expiration of your lease.

For assistance call (850) 452-4412 ext.710, Monday through Friday, 0830-1600, except holidays and weekends.

THE NAS PENSACOLA HOUSING WELCOME CENTER DOES NOT MAIL WELCOME ABOARD PACKETS - CONTACT THE FLEET AND FAMILY SUPPORT CENTER RELOCATION OFFICE, (850) 452-5990 ext. 122 for a Welcome Aboard Packet. If Relocation personnel are unable to answer the phone, leave your name, mailing address, whether you are married, married with children, or single and phone number so they can mail you package out to you, or if necessary, return your call.

Waiting times vary for base housing. Waiting times for enlisted housing range from 3 to 12 months and may be assigned to eligible E1-E9 personnel. Waiting times for W1/O1 - W3/O3 is currently 6 to 8 months. One bedroom per child is NAS Pensacola policy.

Advance applications for base housing are not accepted. If you have an EFMP Family Member pre-notification to Family Housing is encouraged. Prior to notifying housing of your family member's EFMP you will need to know the category/classification the family member has been placed in by medical personnel. Your application will be accepted upon arrival and dated from the date of detachment from your previous command, providing you report to the Housing Office within 30 days after checking-in at

this command. You will need to provide a copy of your orders, detaching endorsement, and proof of family members (Page 2/Family Emergency Data Record).

The NAS Pensacola Housing Welcome Center (HWC) should be the first place you visit when looking for local housing.

The Housing Welcome Office offers a personalized and convenient housing locator service. The Housing Office is located in Building 735 just inside the NAS front gate (to the right). The Housing Office staff is available to assist you with all of your housing needs. Hours of operation are Monday - Friday 0830 to 1600. The Pensacola Automated Housing Referral (PAHR) Drive-Thru is located on the west side of Building 735. Inside, you will find printouts of available rentals, brochures, and a telephone available for your use in obtaining local housing. The PAHR is a self-service drive-thru open weekdays from 1600 to 0830 and 24 hours on weekends and holidays.

Multiple Listing Service is provided by the local Realtors Association and available at the HWC.

IMPORTANT NOTICE

Pensacola is no longer designated a Critical Housing Area. However, rent remains high for community housing. Rentals for less than 6 months are extremely limited. Do NOT cancell your renters insurance upon receipt of orders, transfer it with you. You are strongly advised NOT to rent housing sight unseen. Service members are encouraged to arrange permissive TDY House Hunting to secure housing prior to relocating family members. You may be eligible to draw BHA based on the location of your dependents. Check with your local PSD for more details on all pay entitlements.

You are required to report to the Housing Welcome Center Prior to negotiating any agreement for off-base housing (OPNAVINST 11101.3 and OPNAVINST 11101.21 series).

Temporary lodging accommodations should be reserved prior to arrival. Make sure you call for reservations upon receipt of your orders, especially if you will be transferring during our tourist season (Mar - Sept.). Month-to-month leases usually do not exist and you will be required to sign a 6 month lease. The provision in the "Sailors and Soldiers Act" which releases military personnel from a lease in the event of receipt of orders is not applicable to military personnel who are assigned to NAS Pensacola under instruction for less than 6 months. Military personnel who enter into a lease, with the knowledge they will be assigned elsewhere before the lease expires, can

be held monetarily accountable for the full term of the signed lease.

Relocation Services

Relocation Services Overview

The Fleet and Family Support Center Relocation Assistance Program assists single, married, married with children, single parents, and family members of active duty personnel relocating to Pensacola. Welcome aboard packages are available for newcomers, as is housing and apartment locator information (we do NOT recommend you rent any complex on-line). Welcome aboard Packages usually only take approximately 7 working days for delivery if in CONUS and approximately 2 to 3 weeks for Overseas locations. Call (850) 452-5990 ext.122, DSN 922-5990 ext.122, or E-mail your request upon receipt of orders. If we are unable to answer the phone, please, leave your name, rate, mailing address, your marital status and whether you have

children as well as a call back number. Command indoctrinations are conducted for newcomers, as well as, a multitude of Relocation Assistance services for transferring personnel. A sampling of the assistance we offer here at the Naval Air Station Pensacola Regional Fleet and Family Support Center Relocation Counselling Assistance Office is : Smooth Move, Sponsor Training, Culture Awareness, Overseas Briefs, Deployment Readiness, Relocation Financial Planning, Information on your next command, SITES, Stress briefs, Outbound briefs, BAH (Basic Allowance for Housing) information, OHA (Overseas Housing Allowance), COLA (Cost of Living Allowance), etc.

We, at the Relocation Office, will make every reasonable effort to accommodate your command in the presentation of briefings for outgoing and/or incoming personnel. We will provide SITES and information packets for transferring personnel and tailor each transfer packet for individual needs, regardless of the branch of service. Call to make arrangements for your special needs.

Our hours are 0730 - 1600, Monday through Friday. We are closed on weekends and holidays.

Relocation Assistance

Relocation can be extremely stressful. Decisions must be made and the choices can have a significant effect on you and your family's life. Contact the Relocation Assistance Office at your current duty station to prepare for your move, ask what type of assistance can be provided for your move. Ask for a SITES printout for your new assignment. Once your new orders are in hand, ensure your new command is contacted for a sponsor. Your Sponsor becomes your partner in your move and he/she can be very helpful

by providing additional information and answering specific questions about your command, i.e., deployment information, special needs, arranging billeting, where to check in at, etc. Contact the Relocation Office in Pensacola upon your arrival. Fleet and Family Support Center Relocation Offices provide a complete relocation service that may include: the Standard Installation Topic Exchange Service (SITES), available for over 587 DOD military installations worldwide (regardless of the branch of service), welcome aboard packages, video tapes on various bases, relocation information workshops, sponsor training, and individual relocation assistance counseling. Call for an appointment at (850) 452-5990 ext. 122.

If you are a new spouse to the military call our Information and Referral Specialist for New Spouse Information, (850) 452-5990 ext. 104, and attend the Spouse Orientation Seminar conducted every Quarter. Call for dates and times.

In Transit Emergencies

Regardless of how well you have planned, emergencies do happen. What should you do in case of an emergency while you are traveling?

Military members and their families should look for the nearest military installation for help. The Navy/Marine Corps Relief Society/Air Force Aid Society/Army Emergency Relief are ready to assist. If assistance is needed due to a vehicle breakdown, contact AAA if you're a member; contact the local information operator for a hospital or road service, depending on the emergency.

The American Red Cross is always available for emergency aid anywhere you may be. Contact the nearest chapter (phone numbers are in the local directory). They can sometimes help with emergency financial assistance and contacting individuals (or military commands) that will need to know where you are and what's happening.

Plan for the unexpected and it probably won't happen.

Financial Preparedness

Making a military move is always costly for military families, for which, reimbursable compensation is not always received. The average cost for a move inside the continental United States is \$2,500.00 for a family. Outside the United States, like Japan can run between \$5,000.00 to \$7,000.00. Start your move by visiting your Command Financial specialist (CFS), or your Relocation Assistance Office, who can work up a budget for you prior to leaving your present command. After reviewing the cost for local housing (expect to be on a waiting list for government housing) and the amount of Housing Allowance that you will receive, you can anticipate the approximate amount of cash you will need to bring with you for deposits and rent. While you can receive a waiver for electricity deposit in Pensacola through the housing office, deposits will be required for the other utilities.

Due to a on-base Housing Shortage, you can anticipate spending several nights in a local motel/hotel while trying to find suitable housing. During the months of May through September is the tourist season for the Pensacola area, therefore rents and hotel stays could be double that of the off-tourist season. You can count on TLE to help cover some of this cost, if you are on PCS orders.

If you will be in transit for a while, remember to plan ahead for paying the debts that you are already obligated for. The credit card industry will not be lenient regarding missed payments due to military transfer, unless arrangements have been made in advance. Remember to provide forwarding addresses in advance and to let all of your debtor know of your relocation plans. Call your Command or your Sponsor for a forwarding mailing address.

Household Goods In-Bound Shipments

For more information on this subject:

Personal Property

<http://www.cnet.navy.mil/naspcola/logistics/nasppo.html>

The shipment of a servicemember's household goods is an important and sometimes complicated part of getting to your next duty station. EDUCATE YOURSELF AND BE PREPARED!!

The NAS Pensacola Region Personal Property Office has a website in a "frequently asked questions" format which can tell you everything you need to know about your entitlements to ship your household goods, both inbound and outbound from the Pensacola area. The website covers all pertinent information for both government-arranged moves and Do-It-Yourself (DITY) moves. The site provides you with online forms to fill out and a rundown of weight limits, origin and destination entitlements, servicemember responsibilities in preparation for the move, mover responsibilities during the move, extra entitlements for overseas and arduous duty orders, delivery arrangements, insurance contingencies for loss or damage, etc.

<http://www.cnet.navy.mil/naspcola/logistics/nasppo.html>

Outbound household good moves are now arranged in group briefings two (2) times per week: Tuesdays and Thursdays, 0900, Building 625C, NAS Pensacola Region Office.

You will need to make an appointment for one of these briefings, fill out the needed paperwork, and provide a complete copy of your orders (a copy of the ones which brought you here and a copy of the ones assigning you to the new duty station). These briefings usually last for 90 minutes, entitlements, and in-depth coverage on your responsibilities are covered. Your paperwork will be collected that is needed to start your move at the end of the brief. You will need to make arrangements to attend a briefing at least 2 weeks prior to your move. Otherwise, you may not be able to make your move on the date you desire.

NO CHILDREN WILL BE ALLOWED TO BE PRESENT DURING THE BRIEFING, so please make child care arrangements in advance.

Certain types of moves still require one-on-one counseling: mobile homes, non-DITY moves for boats greater than 14 feet long, bluebarks, POV

storage, or members ranking O-6 or above and Commanding Officers.

Contact (850) 452-4654, or DSN 922-4654, to make an appointment for one of the group briefings, or one-on-one counseling, if appropriate.

Pet Quarantines

There is no quarantine period for pets arriving from an overseas location as long as the owner provides the following:

1. The pet has no diseases.
2. The pet has current rabies inoculation.
3. The pet has a valid health certificate.

Veterinary Services

Dogs and cats on base must have rabies immunizations and must be registered at the Veterinary Clinic on base. Valid proof of rabies shot is required to register pets. The clinic can treat minor sick call problems, including de-worming, skin disorders, and shots. Any condition requiring surgery or anesthesia cannot be treated. There are many local vets who provide total animal care for your pets.

Billeting

For more information on this subject:
BEQ/BOQ at NAS Pensacola Region
<http://www.navfac.navy.mil/housing>

Billeting is extremely limited at NAS Pensacola. BILLETING FOR GEOGRAPHIC BACHELORS AT NAS PENSACOLA REGION IS NOT AVAILABLE.

Billeting at the BOQ (Bachelor Officer Quarters) is also extremely limited due to a large influx of incoming military personnel. Incoming Officer rated personnel should contact the BOQ Office for space availability and description of rooms and services.

All single military members (enlisted and officer rates) must check in at the billeting office prior to arranging for any off-base housing. The BEQ (Bachelor Enlisted Quarters) billeting office is located in Barracks "E", Building 3910, at NATTC Complex.

BEQ rooms for E-4 and below are double occupancy and come equipped with microwave, TV, VCR, refrigerator, double dresser, armoire, and 2 double beds. E-5's and above should contact the BEQ office for space availability and description of room.

For additional information, or assistance for BEQ billeting contact (850)452-3438 or (850) 452-8228. The BOQ billeting office is located in Bldg 600, and can be contacted at (850) 452-2755/6. All single service members seeking on-base quarters must check in at the Bachelor Enlisted Quarters (BEQ) Office or the Bachelor Officer quarters (BOQ) as listed below. Single BAQ is authorized for all enlisted (with department approval) due to limited adequate quarters on base. Personnel must check with the Housing Welcome Center prior to procuring off-base housing.

The following is an incomplete listing of available temporary housing available in the area and does not stipulate any endorsement by Naval Air Station Pensacola Region, or the NAS Pensacola Regional Fleet and Family Support Center. For further assistance utilize the yellow pages.

Unaccompanied PCS

Billeting is extremely limited at NAS Pensacola. E-5 and E-6 are billeted in inadequate quarters (square footage). All E-6 and below live two to a room. BILLETING FOR GEOGRAPHIC BACHELORS HERE AT NASP IS NOT AVAILABLE, HOWEVER, SOME GEOGRAPHIC BACHELORS ARE BILLETED AT NAS WHITING FIELD, WHICH IS ABOUT 45 MILES FROM NAS PENSACOLA.

All single military members must check in at the billeting office prior to arranging for any off-base housing. Billeting office is located in Bldg 3472 and can be reached at 452-3438 or 452-8228.

Single BAQ is authorized for all enlisted (with department approval) due to limited adequate quarters on base. Personnel must check with the Housing Welcome Center prior to procuring off-base housing.

Billeting at the BOQ is also extremely limited due to major renovations.

Support Services

Support Services Overview

Naval Air Station Pensacola offers a wide range of support services. The record listing provides a sampling of programs offered. For further information on services offered, please contact the Relocation Counselors, the Information and Referral Specialist, or the Programs Manager at the Fleet and Family Support Center at (850) 452-5990 ext. 136 or DSN 922-5990 ext. 136.

NAVY OMBUDSMAN PROGRAM

The program is designed to provide better, faster communication between Navy Family members and Navy officials. Navy commands and all deploying units have an Ombudsman. Volunteer spouses of one of the command's active duty members make up the Navy Ombudsman. Ombudsman are primarily a liaison between Commanding Officers and families. Ombudsman can provide information on services or help with a crisis if you are unable to resolve the crisis within your own capabilities or resources. Ombudsman reach out to individual families with friendship, information, problem solving, and a helping hand.

Family Advocacy

What is Family Advocacy? This program is a Department of Defense initiative for the prevention, education, intervention and treatment of child physical abuse, child neglect, child sexual abuse, spouse abuse and sexual assault. How does it work? When a suspected case of abuse occurs, it is reported to the Family Advocacy Representative (FAR). It is the responsibility of the FAR to investigate and track all cases of abuse. Will one person decide a case? NO!!! After the investigation, a committee will review the case. The committee is chaired by a medical officer and consists of the FAR, physicians, counselors and investigative personnel. The committee will decide if the charges are founded or unfounded. The committee then recommends a plan of action to the servicemember's Commanding Officer. The goal of the program is to strengthen families and keep valuable service members in the Navy.

New Parent Program

The thrill of a new baby is one of life's wonderful and challenging experiences. The role of a new parent is one we do not receive classes on in school. Learning those first steps in that role is essential for healthy development and less stressful parenting.

The Fleet and Family Support Center offers several programs for the new parent. The programs are designed to help you meet the challenge of parenting from the very beginning.

The home address determines the school your child(ren) will attend. For more information contact the Zoning and Transfer Office at (850) 469-5580. Students must be 5 years old on or before September 1 in order to attend kindergarten. Florida State Law requires that ALL students entering the Florida school system for the first time have a physical

examination from a licensed physician. You have thirty (30) days to obtain the physical. A student's immunizations must be up-to-date in the state of Florida before starting school. An official state form will become a part of the child's permanent record. Be sure to take your child's shot record to be verified. For information on "Free/Reduced School Meals", contact the school the child will attend. State law provides school bus transportation for high school students who live 2 or more miles from school and one (1) mile or more for kindergarten and other elementary students. Your school will confirm by your resident address whether you live in a transported area and the location and schedule times for pick-up and return. Call the Escambia County School District for the date of school board meetings. Public meetings are held at 6p.m. and the Board Meetings are held at 7 p.m. If you would like to address a particular subject, a form is available to fill out at the board meetings and given to the recording secretary.

Survival Tips For First Termers

Survival Tips for First Termers Overview

This can be a particularly anxious time for you and/or your family. The more information you obtain on your gaining base and the surrounding area, the smoother your move will be. See your Relocation Assistance Program staff at the Fleet and Family Support Center to obtain a SITES booklet and order a Welcome Aboard Package from the base where you will be going. Find out what assistance they can provide to you

Spouse Orientation is held quarterly and a Welcome to Pensacola Brief is conducted on an appointment basis to introduce incoming personnel to Pensacola. Active duty personnel and family members are encouraged to attend. Both programs are designed to familiarize newcomers with the various programs and activities on and off base. Call the Fleet and Family Support Center 452-5990 for arrangements and times of these programs.

Being in the US Military is an opportunity and a proud tradition that has protected our country and the world for over 200 years. It is also a challenge as single and married Service Members juggle their military duties, personal and financial obligations, and the demands of an immediate or extended family.

Military personnel and their families are envied for the variety of their experiences and the number of places they travel and live. To make this attractive, mobile life possible, a great amount of planning and preparation is necessary.

Name: SPOUSE ORIENTATION SEMINAR

Address: Fleet and Family Support Center Building 625
City: Pensacola, FL 32508
Phone: (850) 452-5990
Comments: This seminar has guest speakers from throughout NAS Pensacola complex. Personnel are on hand to brief military spouses on issues such as: Ombudsman -- what is it?, Is there legal assistance on base?, How can I save money while in the military?, American Red Cross -- do they assist in emergencies?, United Services Organization -- where are they located and what do they do?, Military treatment facility -- what is it and how do I use it?, Morale, Welfare and Recreation -- how does it affect me and my family?, Navy/Marine Corps Relief Society -- how do they provide relief? After you attend this seminar you will know the answers to all of your questions. We look forward to seeing you at the next seminar.

Name: WELCOME TO PENSACOLA
POC: Receptionist
Address: Fleet and Family Support Center Building 625
City: Pensacola, FL 32508
Phone: (850) 452-5990
Comments: New to the area, or returning after an extended absence? Would you like to know more about Pensacola and what the "City of Five Flags" has to offer? Would you like to know about the changes that have occurred during your absence? This seminar is informal but information packed and free. Come by and learn of the many free services you can use while you are working and living in the area. Everyone is welcome, no one under 8 years of age please.

Before You Move

Departure preparations?

As soon as you receive your orders, visit your Fleet And Family Support Center Relocation Counselor. They have an extensive array of services and resources available for you including a SITES (Standard Installation Topic Exchange Service) booklet on your new duty station and command, information and classes on planning a move, Relocation Financial Plan, Welcome Aboard

Packages, Overseas Assignment Seminars, videos of your new area, foreign language tapes, lending closets (not available at NAS Pensacola), etc.

Contact the Household Goods Office for an appointment with a counselor to schedule your household goods move. During your counseling session, your counselor will provide you with a great deal of valuable information. Pay attention to details, take notes, ask questions, and follow directions. Failure to adhere to guidelines can be costly in time and money.

Notify your landlord, rental agent or Housing Office of your Permanent Change of Station (PCS) orders and anticipated date of departure. If there is a military clause in your lease, you must give this notification in writing.

Request a sponsor at your new duty station through your personnel office. This person can be your vital link to your new home. Your sponsor can send you specific information on your new location and assist you when you arrive.

Begin a calendar for your move. Include items to remember - change of address cards, school records for your children, travel arrangements for your pets, etc.

Notify your friends, relatives, place of civilian employment or volunteer work, financial institutions (credit card companies), etc., of your upcoming move.

Maintain your Renters Insurance Policy, regardless of whether you will be living in Government Quarters or in Community Housing.

Start budgeting for the move. Contact your Finance Office or PSD to discuss your options regarding advance pay and travel allowances. Even with your entitlements, special pay, allotments, etc., moving can be expensive. In addition, families facing the loss of one income during the relocation will feel additional financial impact. At NAS Pensacola the Relocation Assistance Office can help you with a Relocation Budget.

If you are coming to NAS Pensacola, apply for House Hunting Leave. NAS Pensacola Region is no longer considered a Critical Housing area. Available rentals for less than 6 months are few and extremely expensive.

This is by no means everything you will have to remember! Check with your Relocation Counselor at your Family Service Center. They can provide you with a complete checklist and many helpful publications to assist you with remembering all the details.

After You Arrive

If you're arriving in a Permanent Change of Station (PCS) status, you should have had a sponsor appointed. Ensure you contact him/her! Your sponsor will be a great help in processing into your command. If you're PCS to Pensacola and a sponsor has not already been appointed, request one through your command. If you are reporting to NAS Pensacola in a student status you will not be assigned a Sponsor.

Contact your Relocation Counselor, or Information and Referral Specialist! They have all the information you'll need once you arrive...from housing availability, how to register your children in the local schools, to setting your spouse up with the Family Service Center's Spouse Employment Specialist.

Contact the Housing Welcome Center BEFORE making any arrangements for civilian housing. Rental/lease agreements are extremely important and are sometimes complicated. They also have the Gulf Power utility exemption form. If you haven't already done so, now is the time to put your name on the waiting list for base housing.

Notify the Personal Property Office (Bldg 625C) of your new address and phone number and check on the status of your household goods. Have they arrived? Are they in storage? How much storage time am I entitled to? How do I file a claim if there is damage? All important questions to ask now that you have arrived.

Once you've found the perfect home and your worldly possessions have arrived, the job of getting acquainted with your new neighbors begin.

Contact utility companies to make arrangements for connections.

On moving day, if you have small children, you might want to make arrangements for child care. Older children might want to help by checking off boxes as they come in or unpacking the special box of their belongings.

Be at your home before the movers arrive. Have an idea of where you want things placed - the movers will only put your couch in one place.

Check your belongings carefully and make sure to note on the inventory any damaged or missing items so you can file a claim with the Personal Property Office.

So many things to remember! You will find that services and procedures vary from base to base. When getting acquainted with your new base, be sure to find out:

- Speed limits - Location of the medical facility and the procedures for emergency and walk-in care. - Check cashing limits, procedures and hours of operation of the exchange and commissary - order new checks with your new address.

Most importantly, remember help is just a phone call away. When in doubt - ask. Call your Relocation Office any time.

Reporting Procedures

Arriving by auto - the Air Station is located at the end on Navy Blvd - 16 miles south of Interstate 10. Arriving from East or West, take exit 2 and turn south onto Pine Forest Road. Follow to the end and merge onto Mobile Highway (heading southeast). After passing Fairfield Drive, stay in the right lane

and merge onto New Warrington Road. Drive approximately 5 miles to the front gate of NAS Pensacola.

The Pensacola Regional Airport is located approximately 18 miles east of the front gate of NAS Pensacola. There is limited bus service from the airport to NAS. Contact the USO office located inside the air terminal for assistance. Commercial transportation is available at the airport; taxi fare is approximate \$15-\$20. There are several rental car agencies located at the terminal, so you can call ahead for reservations.

If driving from the airport, turn south onto 12th Ave. After about one mile, bear to the right and get onto Fairfield Blvd. Follow Fairfield until you come to New Warrington Road. Bear to the left and follow the signs to NAS Pensacola or Corry Station.

REMEMBER, IF YOU GET LOST OR NEED ASSISTANCE CALL THE NASP OOD AT (850) 452-2353.

Personnel reporting during normal working hours (0730-1600), Monday through Friday, to activities located at NAS Pensacola report first to PSD Pensacola, Bldg. 680, turn in orders and records, file necessary travel claims, and pick up a check-in sheet.

Personnel reporting after duty hours to activities located at NAS Pensacola report to the NAS Officer of the Day (OOD), Bldg. 624, to have their orders endorsed. This policy also applies to those personnel desiring to report aboard during weekends and holidays. Personnel must report to PSD at 0730 on the following workday to begin check-in processing.

ARRIVAL AT NAVAL AIR SCHOOLS COMMAND

If you are checking in during normal working hours (0730 -1600), the NASC Quarterdeck will direct you into Personnel Support Detachment, Pensacola at Building 680 for turn in of orders and records, processing of travel claims and to pick up a check-in sheet.

Personnel reporting after normal working hours (1600 - 0730) should check in with the NASC Officer of the Day (OOD) in Building 633 to have their orders endorsed. This applies to personnel desiring to report aboard during holidays or weekends as well. Personnel must report to PSD at 0730 on the following workday to begin check-in processing.

ARRIVAL AT NAVAL AVIATION TECHNICAL TRAINING CENTER (NATTC)

Personnel (Staff and Students) reporting to NATTC will report to the Quarterdeck, Building 3460, Room 1136, in uniform of the day (not dungrees), 24 hours a day, 7 days a week. Personnel will need to have their orders and service records with them upon reporting. After reporting to the Quarterdeck the OOD will direct you

Travel Planning

The physical process of moving from one location to another can be a semi-holiday or a chaotic series of gas station stops. As you plan your trip, try to limit your daily journey to distances your family can tolerate. It could save you and your family some uncomfortable, restless miles. Confirm your travel reservations before you leave. If you are traveling with pets, be sure that the hotels you have chosen accept pets on the premises. If they don't, you need to make kennel arrangements with each hotel in advance.

Check with your Relocation Counselor at your Family Service Center. Many have AUTOMAP programs that will help you plan your numbers and locations to make your overnight stays more affordable.

When you are on the road, remember to keep track of mileage and all expenses. Many expenses are tax deductible if you file on a "long" tax form. Keep all receipts. If you do not need them later you can discard them.

Let each day flow with the daily plan.

Infants have few concerns outside their immediate environment. They take the "cues" from you: are you angry and frustrated, or relaxed and content?

Young children do best when kept on the same eating and sleeping routine. Introduce new sights and sounds with patience.

Elementary school children may be losing their first friends.

Allow for expression of grief in daily decisions.

Hints for traveling with kids:

Young children have a natural wariness of the unknown.

Including them in the planning can help lessen fears.

Stick to your child's usual bedtime and mealtimes, and read his or her favorite story.

Unpack the minute you arrive, so everyone feels at home.

Balance your day, make plenty of time for a romp in the park or other relaxing activities. Even when having fun, kids have a limited attention span.

Packing Tips:

Take one small bag per person.

Let each child take only one special toy -- or you will find yourself carrying kid's possessions around the amusement park.

Don't forget a first aid kit, with disinfectant, bandaids, tylenol, etc.

Tuck in a nylon folding suitcase -- it is great for lugging home your souvenirs or dirty laundry.

Call ahead to confirm hotel services for children such as cribs and cots.

Vehicle Ownership

For more information on this subject:

Florida Division of Motor Vehicles

<http://www.hsmv.state.fl.us>

Because different states have different insurance laws, your insurance company will need to know where and when you are moving. In addition to automobile insurance, attention must be given to driver's licenses and auto registration. To avoid penalties, make sure all autos are properly inspected and registered and that all family members are properly licensed.

Some specific information for NAS Pensacola is listed below. If you have any questions or concerns please call the Warrington Tag Office (850) 438-6500, Monday through Friday, 0830-1700.

Active Duty Driver's and Florida Residents on Active Duty must possess a current/valid Florida State Drivers License or a valid driver's license from their state of residence. Non-resident members on active duty must possess a current Florida State License or a valid license issued by the driver's state of residence, which in some states may be expired as long as you are on active duty; make sure you check with your state of residence. If a family member does not have a driver's license (not authorized to drive a motor vehicle), they must obtain and have in their

possession a Florida State Identification Card; also issued at the Driver's License Office.

Vehicle Registration -- your vehicle registration must be carried within the vehicle you are operating at all times and produced upon demand of a law enforcement officer.

Vehicle Checks -- seat belts are mandatory for all occupants of any motor vehicle operated in the state of Florida. On-board NAS Pensacola persons are not authorized to ride in the cargo area of a motor vehicle unless equipped with seat belts. In addition, children under 4 years of age or under 40 pounds must be properly secured in a federally approved car seat. Helmets are mandatory for all motorcycle drivers. Tinting of motor vehicle windows is legal as long as the tint requirements are met, contact the aforementioned number for information. It is unlawful to transport ANY opened receptacle CONTAINING any amount of an alcoholic beverage in a motor vehicle - except in the trunk area or in some other area out of the immediate control of the occupants (for hatchbacks, the rearmost compartment can be used). The illegal BAC (Blood Alcohol Content) for the state of Florida is .08.

Accidents -- The Security Department is required to investigate and maintain a record of accidents. If involved in an accident while on-board NAS Pensacola, contact the Security Department, 24 hours a day, seven days a week, at 452-2453.

Motorcycles or Motor Driven Cycles -- Both military and family members must possess a current/valid driver's license indicating they have successfully completed the Motorcycle Safety Course; or must be endorsed for motorcycle operation if required by the issuing state. To obtain this, a special written and riding skills test is required. To operate a motorcycle on-board NAS Pensacola you must take the motorcycle safety course offered by the base.

Contact the Pass and ID section of the Security Department to obtain a pass for your vehicle when you arrive. They are located at the main gate and are open Monday - Friday, 0700-1530. After normal business hours, weekends and holidays, the Navy Police will issue a temporary pass.

You will need to present the following when requesting registration (base decal) : 1) proof of ownership (registration) or right to operate the vehicle, 2) a valid operator's license acceptable to the State of Florida, 3) the name of insurance company, policy number, and expiration date. Vehicle

insurance coverage of at least 15/30k public liability and 10k property damage is required.

NOTE: It is against the law to operate a vehicle in Florida without insurance.

There are several insurance companies in the local area providing auto/renters/homeowners insurance. Please check the local phone directory for the complete listings and then shop around to find the company that best meets your individual needs.

Housing and Billeting

Make sure you call ahead to make temporary lodging reservations during tourist season, which runs from Spring Break through Labor Day.

HOUSING

Military personnel are required to report to the Housing Referral Office at their new duty station upon arriving and before buying or leasing a home or apartment. The Housing Referral Office receives applications and maintains the waiting list for base housing. If you are considering applying for base housing, contact the Housing Referral Office at (850) 452-4412, 1-800-793-9407. NEVER RENT ANYWHERE SIGHT UNSEEN, it may not meet your expectations.

The Housing Referral Office can assist you in locating off base housing and will provide information on the local community. The HRO maintains a computer based listing of local housing - costs, deposits, pet information, location of schools to the property, etc.

If you choose to live in the civilian community, you and your family are entitled to receive Basic Allowance for Housing (BAH). On Jan 1, 1998, this new type of housing allowance was phased in. BAH is one monthly payment and replaces Variable Housing Allowance (VHA) and Basic Allowance for Quarters (BAQ). BAH is based on civilian rental costs by pay grade, dependency status, and location.

Not all military clauses will protect you. Be sure to check with Legal or Housing Referral BEFORE you sign a lease for housing in town. It could save you a lot of time and money in the long run! Remember never rent sight unseen and always have the Housing Referral Office review your lease before signing.

In addition to the military clause, also make sure that your lease or rental agreement states clearly who pays for what utilities and what repairs. Then, if you decide that the agreement is satisfactory, walk through the apartment or house with the landlord, and make a list of any existing damage to the property. Have the landlord sign the list of defects or damages, and make a copy of it to keep with your lease agreement.

Finally, pay your rent on time, and leave the property in as good a condition as you found it.

The following is only a short list of short term lodging facilities, with kitchen facilities, available in the Pensacola area. For a more complete listing contact the NAS Pensacola Fleet and Family Support Center Relocation Office, or your command sponsor for a Welcome Aboard Package.

Money Matters

The costs associated with PCS orders can be debilitating for even the most solid budget. Though there are reimbursements for costs associated with PCS moves, research demonstrates the average military family reports out of pocket expenses of over \$500.00 and that only one out of every three dollars spent is reimbursed. Listed below are some of the PCS moving allowances you might be entitled to that can help you budget for your move.

DISLOCATION ALLOWANCE (DLA): Active duty personnel with family members shipping household goods from one permanent duty station to another are entitled to a dislocation allowance (DLA). This is paid to offset the costs of closing a home and setting up another. This allowance is equal to 2 1/2 months BAQ. Single members may receive DLA as long as government quarters will not be utilized at the next duty station. DLA is not available to those transferring in the same geographical location or those who have not been assigned to their first permanent duty station (PDS). DLA may be dispersed at the time of travel, or upon arrival at the gaining command.

MILEAGE IN LIEU OF TRANSPORTATION (MALT): Service members receive a MALT when they drive to a new assignment. The allowance is computed on federal tables of mileage between the old and new duty stations. Even though the official distance may be longer or shorter than the service member drives, the official distance determines that allowance payable. MALT is also paid to those going overseas if they drive from their stateside location to the port of embarkation for

transcontinental plane or ship, or from the port of debarkation to the new duty station.

Single active duty or spouse traveling alone -- .15 per mileTwo family members -- .17 per mileThree family members -- .19 per mileFour or more family members -- .20 per mile

These rates apply to spouses authorized to travel alone or with family members, and to sponsors traveling with family members. These rates also apply to travel in a second car when its use is authorized. MALT will be dispersed at the time of travel.

PER DIEM ALLOWANCE: Along with DLA and MALT, food and lodging are allotted when making a PCS move. The allowance is paid based on the mileage table rates. Service members receive \$50.00 a day plus \$37.50 a day for their spouse and each family member under the age of twelve. When a spouse travels separately, the spouse receives \$50.00 a day; and for family members traveling with the spouse it is \$37.50 a day or \$25.00 a day depending on the age.

TEMPORARY LODGING ALLOWANCE (TLA): New arrivals at overseas bases are eligible for this allowance to help offset the cost of temporary housing and meals. You are entitled to TLA even if you move into temporary government quarters. The amount of TLA depends on several factors, including family size, local per diem rate, actual cost of quarters and whether the quarters provide cooking or dining facilities. A single person gets 65% of the local per diem rate if actual expenses are that much, and a member with one or two family members get

100% of the local per diem rate if expenses warrant. For each additional family member the per diem rate is raised by 25%. TLA is paid in ten day increments, and usually up to a sixty day limit for those arriving and a ten day limit for those departing overseas.

ADVANCED PAY: *** Drawing advance pay should be carefully considered when planning a move. As soon as you get your orders, a spending plan should be developed early enough to save extra money to be used to assist with the moving expenses. Many times advance pay is spent on other "emergencies" and is not around to assist with moving expenses. In addition, advance pay is a "dead horse" that automatically reduces your take home pay to use for bills and unforeseen moving expenses. Talk to your Command Financial Specialist prior to drawing advance pay. ***

No more than three months advance pay may be drawn. The advance is normally repaid in equal installments over twelve months. In certain cases, repayment can be spread over twenty-four months. Advance pay is your base pay, not pay with allowances. If approved by your commanding officer, an advanced housing allowance can be drawn. You must prove that this money will be used for housing costs. Advance housing allowance is up to three months BAH. Advance housing allowance may be re-paid over a twelve month period, and in exceptional circumstances, may be re-paid over a longer period. **REMEMBER, ALL ADVANCED PAY WILL BE RE-PAID!!!!**
